

The Awakened Fate Ultimatum

An average high schooler, Shin Kamikaze, becomes God when an angel rescues him from devils. As God, he can tap into the powers of angels and demons, which he must use to help the angels in their endless war against the devils. He is torn between his exclusively assigned angel, Jupiel, and the devil scientist who saved his life and gave him the powers of God, Ariael. As he learns to wield his powers, he is faced with impossible situations where he must constantly choose between two heartwrenching options. What will Shin decide? And who will he side with in the end?

Who will be saved and who will fall?

An average high schooler, Shin Kamikaze, becomes God when an angel rescues him from devils. As God, he can tap into the powers of angels and demons, which he must use to help the angels in their endless war against the devils. As he learns to wield his powers, he is faced with impossible situations where he must constantly choose between two heart-wrenching options. What will Shin decide? And who will he side with in the end?

Beautiful art

The game features beautiful, anime-style characters who were designed by Noizi Ito and Airi Hori.

Roguelike appeal

In between its exploration, battles, and Persona management, Persona 4 Golden lets players choose how they wish to spend their time each day in a variety of different activities. What they opt to do and who they choose to spend time with can have a significant impact on their experience.

Engrossing story

Over 100 hours of gameplay thrusts you into a deep mystery where midnight television leads to serial killings. You must investigate murders, rescue those who can be rescued, and unmask the culprit behind it all... Or risk being forever shrouded in the fog of doubt.
